

Community Builder Award

TRAVIS AND STACEY ENNS - SYL'S

The Carman and Community Chamber of Commerce, 2020 Community Builder Award was implemented this year, in an effort to recognize a business or individual that is making a significant contribution to Carman and our surrounding communities.

Congratulations to

Travis and Stacey Enns of Syl's Drive Inn for being nominated and selected as this year's Community Builder Award.

Travis and Stacy need to be commended for their outstanding efforts in operating and expanding a top-notch facility in our community.

Since 1960, Syl's has been serving up great burgers and thick shakes to the residents and visitors of Carman, Manitoba.

Syl's has maintained the authentic look, feel and service of a traditional drive in, while serving up classic favourites like burgers, subs and seriously thick shakes.

Their addition of a mini golf course this summer was a welcome addition to our community and was a summer attraction for many visitors to the area.

Located on Highway #3, across from Carman Collegiate, Syl's is a "must stop" when traveling through, or visiting Carman. Travis and Stacy have preserved the authenticity of the business while adding a modern touch, and have made the name Syl's, one that is immediately associated with Carman.

Thank you for your commitment to our community and to the Chamber as we work together to Build our Business Community.

CONGRATULATIONS TO OUR OTHER NOMINEES:

- JACK PETHYBRIDGE
- DEANA HEINDRICKS
- SCOTT JOHNSTON
- NATINA PELLETIER

Thank you to our Award Sponsor
